

A program sponsored by:

The Oceanside Mural Initiative (OMI) is a community mural program under Art that Excites. We are asking members of Oceanside to help create a glass mosaic mural to complete Phase 1 of the OMI program. Our objective is to beautify our walls, provide art education, community outreach and create pieces of art for locals and visitors alike to enjoy when visiting our district. Participate in this community initiative through any one or more, of the following methods: sponsor a sea creature, donate and/or volunteer at our upcoming community workshops to help Don Myers assemble this art piece as a community project. Sponsorship cost varies due to the creature size and uniqueness. We have over 80 opportunities to choose from that range from \$100 to \$7,500 (see second page of list of creatures). Due to limited space, it's a first come, first served basis.

.....  
All sponsorship levels of \$100 or more will be recognized on a granite plaque to be located next to the Mosaic Glass Mural. Plaque recognition is limited to 20 characters of space where you can list: the name of someone you wish to honor, your group or business. Please make sure to print clearly:

<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
